**Please provide a detailed Item discription of the products you would like.**

Delivery Options: - **STORE**  Lift Gate  Dock - **ON SITE**  Business  Residence  Hub PICK UP

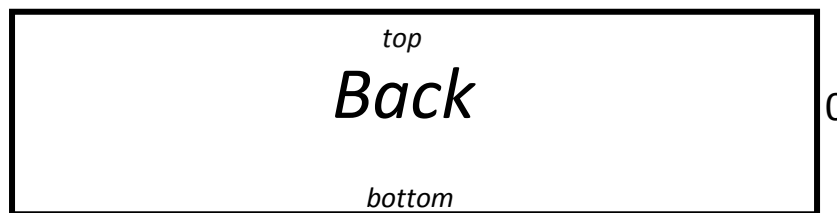

### Overflow and hole options

Corner	Inset - 3 Sided	Island	Synergy / Ghost	Holes Only	Overflow w/ holes
--------	-----------------	--------	-----------------	------------	-------------------

**Helpful Hint #1: HOLES**  
Measure hole locations from the CENTER of the hole to the closet edge and note that location when asking for a quote.

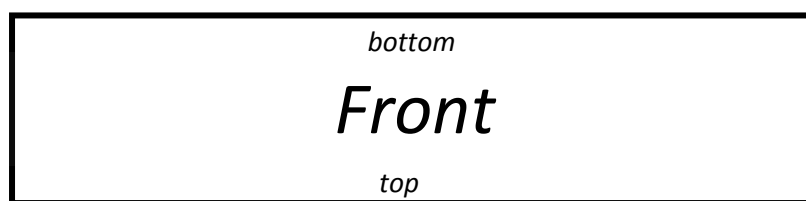

Est. gallon as quoted **0**

**Helpful Hint #2: Bulk heads**  
Make sure the hole size you are ordering will provide the water volume that you are looking for in both draining/filling your aquarium.

**Helpful Hint #3: Filter options**  
Make sure that you are allowing for all of the space you will need for additional filters - like protein skimmers and calcium reactors!

**Helpful Hint #4: Support Cabinets**  
Be aware of where the access to filters will be and that you are planning enough room for water drains and power for the aquarium.
